SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicant hereby proffers the PCT International Preliminary Examination Report dated December 28, 2001. The references cited in the International Preliminary Examination Report are already of record in this case.

This Supplemental Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitutes prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.

In compliance with the requirements of 37 C.F.R. § 1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. § 1.56(c) most knowledgeable about the content of the information. The relevance to the pending U.S. patent application is that the references were cited in a PCT patent application on the same subject matter. However, the accuracy of the statement of the PCT examiner or the claims of the PCT application under the laws of the country or the United States relative to the subject
